Sub: **Course on Post-Blast Investigation (PBI) and Forensic Analysis of Improvised Explosive Device Blast- Reg.**

Sir,

It is well known that while investigating the cases of explosion caused by improvised explosive devices, the investigating agencies are often confronted with various problems like determination of explosive material and other accessories used in fabrication of the device, point of explosion, reconstruction of sequence of events involved in causing explosion etc. In the cases of explosion, the forensic scientists are expected to render their valuable inputs in this process. In order to enhance their skill as well as to upgrade their knowledge in collection and preservation of samples and their laboratory examination by using various sophisticated instruments, this Institute proposes to organize the above mentioned course wef. 1<sup>st</sup> to 5<sup>th</sup> March, 2021 in online mode.

The Institute invites nominations of suitable officers who have the facilities of internet connection and are also in possession of laptops/desktop computer with webcam and mike facilities. The following information may kindly be sent in respect of each nominated officer: (a) Name of Course (b) Name/Designation of officer (c) Contact details of nominee (viz. Cell Number & E-Mail ID). Officer in reserve may also be nominated.

The list of accepted nominees for course can be downloaded from website [www.nicfs.gov.in](http://www.nicfs.gov.in) under the link 'Training'. The list of accepted nominations for course will be displayed on NICFS website after receipt of nominations. Intimation by SMS to selected officers will be sent if their Cell No. is furnished to us. It is requested that website/[www.nicfs.gov.in](http://www.nicfs.gov.in) may be visited from time to time for further communication.

The Institute welcomes reply by E-mail ID: [training.nicfs@nic.in](mailto:training.nicfs@nic.in) in its endeavor to be an eco-friendly organisation.
